

Action Développement Enfants du Niger

*Providing opportunity
for every child.*

ADEN NGO is a non-political, secular organization, respectful of all convictions.

Our goals

- Provide childcare for children from 0 to 6 years old, especially children with no family support;
- Help improve the living conditions of children of families in need;

How our organization works

Pending completion of the premises under construction, the children cared for by ADEN are lodged in a rented house.

Work with us
to help our children grow and develop their full potential by:

- **BECOMING A VOLUNTEER**
- **MAKING A DONATION IN KIND**
clothing, food, toys, equipment and materials.
- **MAKING A CASH DONATION**
as a punctual donor (any amount)
or a regular benefactor : by committing to a monthly, quarterly, semi-annual or annual payment at one's discretion

- **SPONSORING A CHILD**

Sponsoring is not an adoption!

By sponsoring a child, you contribute to the moral and emotional development and welfare of the child. Contributions made on behalf of a child will facilitate his schooling and education.
